

Montgomery Capital Rotary Club has earned its reputation as "The Education Club" with over a decade of service to public education here. Not only did MCRC provide the first-ever financial support to Partners in Education, the Club also gives a dictionary to all public school 3rd grade students every year. The Rotary motto of "Service Above Self" is demonstrated when they hand deliver nearly 3,000 dictionaries to appreciative students each fall. **Montgomery Capital Rotary enhances Montgomery by support to public school children.**

Committed to student achievement, Partners in Education provides programs that support the economic health of Montgomery through community partnerships and volunteerism. *When you help PIE you are helping our children and you are helping to educate and grow the workforce Montgomery wants and needs.*

### TUTORING INITIATIVE

The mission of Partners in Education is to assist public education through community involvement. PIE recruits and trains volunteer tutors for public school students, primarily 3rd graders, who need individual reading assistance. PIE tutors have given more than 75,000 hours of service to students.

### MENTORING INITIATIVE

Become a mentor to a middle school student here in Montgomery in 2010! Meet at school once a week. Listen, share, be a friend, we'll show you how. All kids deserve a chance to reach their God-given potential. You can help. Call 211 to find out more about becoming a school-based mentor. *"Be the change you want to see in the World!" - Ghandi*

PIE supports School-Community partnerships in all 58 public schools.

When you help PIE you help our children and you are helping to educate and grow the workforce Montgomery needs.
